

Engrave a Name in History . . . on the Depot Walkway!

The Depot Walkway is in the middle of a garden that connects the DeFuniak Springs L&N Train Depot with its bright red caboose. This beautiful setting offers an opportunity to honor your family or friends for years to come with the placement of stones in their honor.

Here are some examples of what you might put on a stone:

**IN HONOR OF
WALTON HIGH
1953 GRADS**

**IN MEMORY OF
JOHN P. DOE
1800 – 1900**

**DOE FAMILY:
JOHN, MARY &
CHILDREN**

Each stone is 12-inches square and may be engraved with up to 4 lines of 12 letters each for a \$100 donation to the Walton County Heritage Museum.

Please PRINT one character per dash below, including punctuation and spaces. Sorry, NO COMMERCIAL BUSINESS NAMES may be engraved on the stones. The Walton County Heritage Museum reserves the right to refuse inappropriate engraving.
